

**Amendment to Specification/Entry of Sequence Listing:**

Applicants request that the computer readable form (CRF) copy of the sequence listing submitted herein be entered into the specification. A paper copy of the Sequence listing is also attached.

The sequence listing information recorded in computer readable form is identical to the written sequence listing. The content of the sequence listing does not contain new matter and is identical to the originally disclosed sequence on pp. 18-19 of the specification.

**CONCLUSION**

The foregoing amendment was made to comply with the sequence listing rule(s). Should the examiner find that an interview would be helpful to further prosecution of this application, she is invited to telephone the undersigned at her convenience.

Respectfully submitted,
